

# Knowledge Hub Portal

This portal is all about sharing a link or url with the community which benefits both link owner and community.

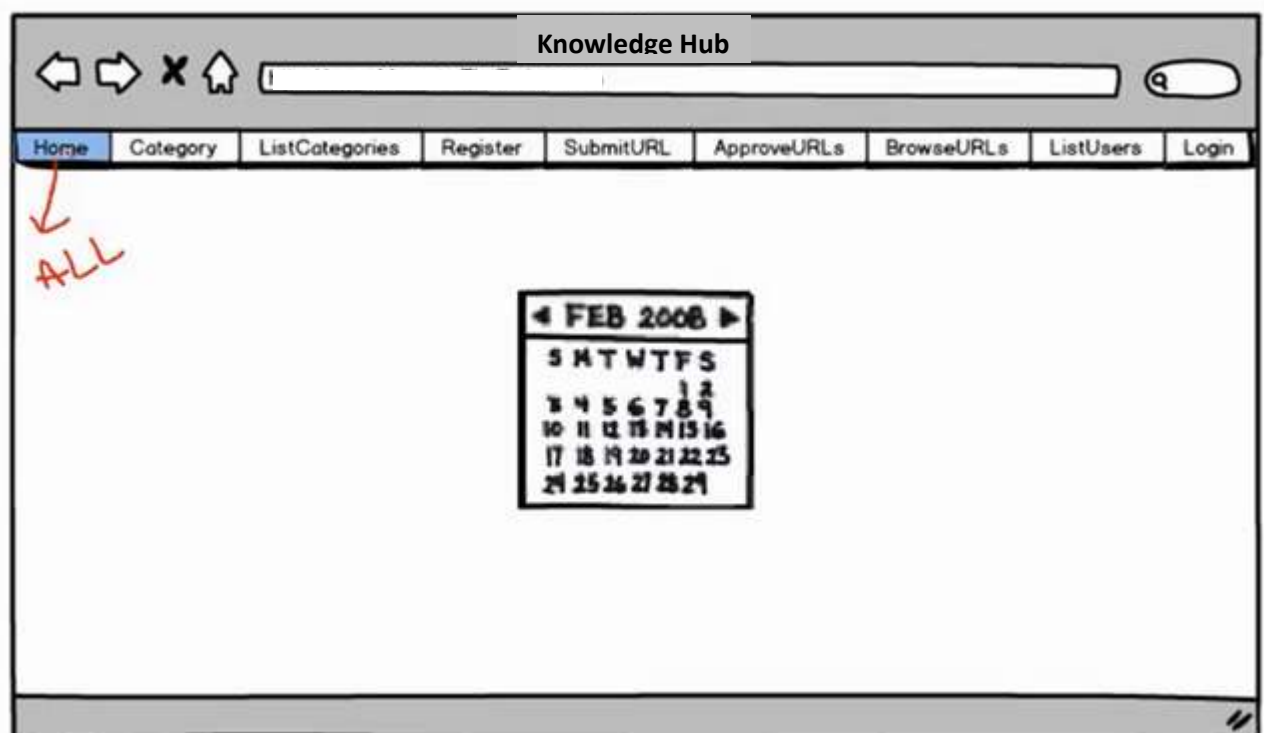

## Introduction

Knowledge hub is a web portal where a user can submit her/his portal URL under a specific category to be shared on knowledge hub. Admin can approve or reject the URL submitted by the user and in each case an email is sent out to the user. Once the link is approved, it will be available on the knowledge hub portal.

## UI Prototypes

### Home page

Homepage or you can say Dashboard some kind of calendar that I want to show. Normally, this homepage is accessible by all the users. Whether it is Admin/User/Anybody. This is a common page.

### Category page

The page where I can create category. Normally, Only Admin should have access to this page.

The screenshot shows a web browser window titled "Knowledge Hub". The navigation bar includes links: Home, Category (highlighted in blue), ListCategories, Register, SubmitURL, ApproveURLs, BrowseURLs, ListUsers, and Login. The main content area is titled "Create Category" and contains a form with two input fields: "Category" and "Description", followed by a "Create" button. A red arrow and the letter "A" are drawn on the page, pointing to the "Category" input field.

### List Categories Page

This page is also accessed only by Admin. Admin can see what all the categories he has created.

The screenshot shows a web browser window titled "Knowledge Hub". The navigation bar includes links: Home, Category, ListCategories (highlighted in blue), Register, SubmitURL, ApproveURLs, BrowseURLs, ListUsers, and Login. The main content area displays a table of categories. A red arrow and the letter "A" are drawn on the page, pointing to the "ListCategories" link in the navigation bar.

Category	Discription
Education	Good for school students
Technology	All the latest technologis of computer sciences
Entertainment	Better way of time pass
Social	Get a social network

### Register page

Any user can register. Everyone will have access to this page.

The screenshot shows a web browser window titled "Knowledge Hub". The navigation bar includes links: Home, Category, ListCategories, Register, SubmitURL, ApproveURLs, BrowseURLs, ListUsers, and Login. The "Register" link is highlighted in blue. A red arrow points from the "Register" link to the "New User Sign Up" form. The form contains three input fields: "User Email:", "Password:", and "Confirm Password:", followed by a "Submit" button. The word "ALL" is handwritten in red above the "User Email" field.

### Submit URL page

Once user is registered he can submit URL. Only registered users can access this page. You can say the only those users with role "U" can access.

The screenshot shows a web browser window titled "Knowledge Hub". The navigation bar includes links: Home, Category, ListCategories, Register, SubmitURL, ApproveURLs, BrowseURLs, ListUsers, and Login. The "SubmitURL" link is highlighted in blue. A red arrow points from the "SubmitURL" link to the "Submit A URL" form. The form contains four input fields: "Title:", "URL:", "Description:", and "Category:" (a dropdown menu with "Select" as the current value), followed by a "Submit" button. The letter "U" is handwritten in red next to the "URL" field.

### Approve URLs page

Once the user submitted a URL this will get reflected to Admin. Admin can look for the URL that has been submitted then Admin can select some URLs and can Approve or Reject. Once it is approved. It'll be available in BrowseURLs

This page is accessed only by Admin or The users with role "A"
